Located in the stunning Jardines del Rey archipelago, the Grand Muthu Cayo Guillermo is a modern all-inclusive resort. There are numerous pools in a tranquil setting of beautiful tropical gardens, including an infinity pool that overlooks the ocean. Guests of all ages can participate in a variety of activities at the hotel, including theme parties, dance lessons, and more. Families with young children will undoubtedly enjoy the Kid's Club, which includes a kids' playground area with a waterpark and splash pool. The resort's visitors may easily explore the nearby dunes, known for being the highest in the Caribbean as well as one of the world's most stunning coral reefs and the islet of Cayo Media Luna.
